Correction to: Current Sexual Health Reports

<https://doi.org/10.1007/s11930-020-00237-9>

The original article unfortunately contained mistakes. In the table, “95% usually always orgasm²” was not changed to “95% usually-always orgasm^b”.

The original version has been corrected.

The online version of the original article can be found at <https://doi.org/10.1007/s11930-020-00237-9>
