Correction to: Science and Engineering Ethic

<https://doi.org/10.1007/s11948-020-00237-x>

Due to an unfortunate miscommunication with the copy editor an important reference was omitted from this recently published article. The reference that should be included is:

Nallur, V. (2020). Landscape of Machine Implemented Ethics. Science and Engineering Ethics. <https://doi.org/10.1007/s11948-020-00236-y>

In introduction the sentence should read:

These are some of the critical questions Vivek Nallur asks in his essay "Landscape of Machine Implemented Ethics, Science and Engineering Ethics, 2020".

The original article has been corrected.
