**Retraction to: Biological Trace Element Research (1996)
53:235-239
DOI 10.1007/BF02784559**

The Acting Editor in Chief of Biological Trace Element Research retracts the following article: Rzymowska, Magnesium and Iron Contents of Leukemic Lymphocytes in Acute Leukemias and Hemolytic Anemia, June 1996, Volume 53, Issue 1-3, DOI [10.1007/BF02784559](https://doi.org/10.1007/BF02784559).

This full retraction is due to the author's having used – without permission – significant amounts of the text and intellectual property of an earlier article: Canbolat, Kavutcu, Durak, Magnesium Contents of Leukemic Lymphocytes – Biometals October 1994, Volume 7, Issue 4, DOI: [10.1007/BF00144127](https://doi.org/10.1007/BF00144127).

The online version of the original article can be found at <http://dx.doi.org/10.1007/BF02784559>.
