Unfortunately the title of the article was furnished incorrectly in the original publication of the article. The population and UC patients should be Chinese Han population in Central China, not Southeast China. Therefore, the title

of the article should be “Hyperhomocysteinemia and Related Genetic Polymorphisms Correlate with Ulcerative Colitis in Chinese Han population in Central China”, and related term in the text should be corrected.

Moreover, the affiliation and email address of the corresponding author, Prof. Bing Xia, is corrected in this erratum.
