Correction to: Journal of Gastrointestinal Cancer
<https://doi.org/10.1007/s12029-020-00365-4>

The original version of this article unfortunately contained a mistake. In Table 2, the number 36 under “N” should be 96 and “Tumour size in cm (range)” should read “Tumour size in cm.”

The original article has been corrected.

Table 2 Age and tumour size differences in budding and non-budding tumours

	N	Tumour budding		p value
		Yes	No	
Age in years	93	52.4 ± 17.1	58.5 ± 13.9	0.06
Tumour size in cm	96	6.6 ± 2.9	6.6 ± 2.8	0.63
