**Erratum to: J Mol Neurosci**  
**DOI 10.1007/s12031-016-0717-8**

The original version of this article unfortunately contained mistakes in Table 1. We apologize to all readers and make the following corrections:

1. In Table 1 continued, under Outcome column, sixth row, the statement “**Prevent cerebral blood w reduction**” should be changed to “**Prevent cerebral blood flow reduction**”.
2. In Table 1 continued, under Outcome column, seventh row, the statement “**Raf inhibitor SB386023-b**” should be changed to “**Prevent reduction in regional CBF and neurological scores**”.
3. In Table 1 continued, under Outcome column, eighth row, the statement “**Raf inhibitor SB386023-b**” should be changed to “**Prevent the reduction of cerebral blood flow**”.
