The original version of this article unfortunately contained a mistake in the title. The title should be “Silencing RNF13 Alleviates Parkinson's Disease – Like Problems in Mouse Models by Regulating the Endoplasmic Reticulum Stress–Mediated IRE1 α -TRAF2-ASK1-JNK Pathway” instead of “Silencing RNF13 Alleviates Mice Models with Parkinson's Disease via Regulating Endoplasmic Reticulum Stress–Mediated IRE1 α -TRAF2-ASK1-JNK Pathway”.

The original article has been corrected.
