

Correction to: Evaluation of the Global Ensemble Forecast System (GEFS T1534) for the probabilistic prediction of cyclonic disturbances over the North Indian Ocean during 2020 and 2021

RADHIKA KANASE, SNEHLATA TIRKEY, MEDHA DESHPANDE, R PHANI MURALI KRISHNA, C J JOHNY, P MUKHOPADHYAY, GOPAL IYENGAR and M MOHAPATRA

Correction to: *J. Earth Syst. Sci.* (2023) 132: 143 <https://doi.org/10.1007/s12040-023-02166-2>

Due to an oversight, in the Acknowledgement section, the GEFS T1534 model and Ensemble tracker were not duly acknowledged. The corrected acknowledgement is given below.

Acknowledgements

Indian Institute of Tropical Meteorology (IITM) is fully funded by the Ministry of Earth Sciences, Government of India. The authors are thankful to India Meteorological Department (IMD) for the best track dataset. The GEFS T1534 model and Ensemble tracker are operated on the Mihir HPC system at the National Centre for Medium-Range Weather Forecasting (NCMRWF) under the Ministry of Earth Sciences, and we deeply appreciate the support provided by NCMRWF. Additionally, we would like to thank Pratyush HPC, also under the Ministry of Earth Sciences. The authors are thankful to anonymous reviewers for their constructive comments which helped in improving the manuscript.
