

Erratum

Associations of *POU1F1* gene polymorphisms and protein structure changes with growth traits and blood metabolites in two Iranian sheep breeds

Mostafa Sadeghi, Ali Jalil-Sarghale and Mohammed Moradi-Shahrabak

J. Genet. **93**, 831–835

The erratum published in the March 2015 issue to this article did not point out another error in the misprinted equations (i), (ii) and (iii). The correct equations (as submitted by author) are:

- (i) $Y_{ijklm} = \mu + G_i + B_j + S_k + T_1 + M_m + b_1(D_{ijklm} - \bar{D}) + e_{ijklm}$
- (ii) $Y_{ijklm} = \mu + G_i + B_j + S_k + T_1 + M_m + b_1(D_{ijklm} - \bar{D}) + b_2(AW_{ijklm} - \overline{AW}) + b_3(BW_{ijklm} - \overline{BW}) + e_{ijklm}$
- (iii) $Y_{ijklm} = \mu + G_i + B_j + S_k + T_1 + M_m + b_1(D_{ijklm} - \bar{D}) + b_4(A_{ijklm} - \bar{A}) + e_{ijklm}$

We apologize for the errors in the published article and for missing other errors in the erratum published subsequently.
