Correction to:

Journal of Genetics, Vol. 93, No. 2, August 2014 <https://doi.org/10.1007/s12041-014-0386-8>

In the online published article, Figure 3m was duplicated in figure 4a. Corrected figure 4a is shown here. Replacement of the image does not affect the scientific findings that have been reported in the paper nor require any editing of the manuscript text. We deeply regret the inconvenience.
