Correction to: Applied Spatial Analysis and Policy
<https://doi.org/10.1007/s12061-021-09402-6>

In the original version the authors unintentionally omitted reference to the work of Humphreys et.al (2020). This is corrected at the end of paragraph 6 in the Introduction:

“These advantages have made it successful in ecological, soil, and epidemiological studies (Huang et al., 2017; Innocent et al., 2017; Poggio et al., 2016). Further, Humphreys et al. (2020) developed a novel geostatistical method, taking advantage of Gaussian random fields, to estimate human disturbance in wetlands and coastal waters.”

The citation of the article is:

“Humphreys, J. M., Mahjoor, A., Reiss, K. C., Uribe, A. A., & Brown, M. T. (2020). A Geostatistical Model for Estimating Edge Effects and Cumulative Human Disturbance in Wetlands and Coastal Waters. *International Journal of Geographical Information Science*, 34(8), 1508–1529. <https://doi.org/10.1080/13658816.2019.1577431>.”

The authors regret this error.

The original article has been corrected.
