Editorial Expression of Concern: Clinical and Translational Oncology (2019) 21:1583–1623
<https://doi.org/10.1007/s12094-019-02104-z>

The Editor-in-Chief is issuing this expression of concern to alert readers that the reference list included in this article contains a number of articles that have been retracted. Due to the proportion of retracted articles, the reliability of the conclusions drawn in this review are called into question.

G. M. Viera, K. B. Salomao, G. R. de Sousa, M. Baroni, J. A. Pezuk & M. S. Brassesco do not agree to this expression of concern. L. E. A. Delsin agrees to this expression of concern.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
