Correction to: Human Nature

<https://doi.org/10.1007/s12110-021-09390-z>

In the article published as <https://doi.org/10.1007/s12110-021-09390-z>, an author's initials were transposed in the authors' note. The authors' contributions are correct as published; only the note is incorrect. It should read as follows:

Author information

Author notes

1. These authors (ANC and AF) contributed equally to this paper.

The following information, as published, is correct.

Authors' Contribution ANC and AF contributed equally to this paper. EC and ANC acquired research funding, designed the study, and prepared data collection materials. Data were collected by KNH, TRP, and IAM. Analyses were performed by AF, ANC, KNH, and ITG. The first draft of the manuscript was written by ANC and AF; all authors commented on subsequent versions of the manuscript; all authors read and approved of the final manuscript.

The original article has been corrected.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s12110-021-09390-z>.
