Correction to: Trends in Organized Crime

<https://doi.org/10.1007/s12117-018-9331-1>

The original version of this article unfortunately contained a mistake. A coding error resulting in pooling administrative segregation with additional custody levels. Different indicators of age were used for eligible and not enrolled samples.

This erratum corrects both errors.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
