We would like to note the following corrections to the original version of Gelo et al.:

In the Section Method, the sentence:

“(The team of judges was composed of the second [X.X.], third [X.X.], fourth [X.X.], and fifth [X.X.] author of the present manuscript. The auditors were the first [X.X.X.X.] and sixth [X.X.] author of the present article.) [Initials have been omitted for anonymity reasons. They will be added in case of publication.]”
