The original version of this article contained a few mistakes. These have been corrected as follows:

- a. In the title, the first letter of “Greek” was capitalised.
- b. In the Participants section, a line before the last, the indication in brackets is (Sochos, 2018).
- c. In the Procedure section, the last sentence should read “The study received ethical clearance from the Psychology Department of the University of Bedfordshire, UK”.
- d. The Funding section, after the Discussion, should read “This study was funded by the Research Centre for Applied Psychology, University of Bedfordshire, UK (grant number 100).

The original article has been corrected.
