Correction to: International Journal of Hematology
<https://doi.org/10.1007/s12185-021-03102-0>

In the original publication of the article, the fourth sentence in the abstract should be “The median age was 62 years (range 44–72), and 21 patients were in complete remission (CR) at the time of CBT”.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s12185-021-03102-0>.
