ERRATUM

Use of the Minimax Regret Approach for Robust Selection of Rainfall-Runoff Model Parameter Values Considering Multiple Events and Multiple Performance Indices

Chang Geun Song*, Eun-Sung Chung, and Kwangjai Won*****

Erratum to: KSCE Journal of Civil Engineering (0000) 00(0):1-8

DOI 10.1007/s12205-017-1972-0

The original version of this article unfortunately contained a mistake.

Errata:

1. The title of the article was written incorrectly.

Use of the minimax regret approach for robust selection of rainfall-runoff model parameter values line break considering multiple events and multiple performance indices

Will be corrected as:

Use of the Minimax Regret Approach for Robust Selection of Rainfall-Runoff Model Parameter Values
Considering Multiple Events and Multiple Performance Indices

The original article has been corrected.
