

## Erratum

**Erratum to “Optimization of process parameters for recycling of mill scale using Taguchi experimental design” [24 (10) (2010) 2127~2134]<sup>†</sup>**Seok-Heum Baek<sup>1</sup>, Soon-Hyeok Hong<sup>2</sup>, Seok-Swoo Cho<sup>3,\*</sup>, Deuk-Yul Jang<sup>4</sup> and Won-Sik Joo<sup>5</sup><sup>1</sup>*Department of Mechanical Engineering, Dong-A University, 840 Hadan2-dong, Busan 604-714, Korea*<sup>2</sup>*Industrial Science Technology Research Center, Pukyong National University,**Yongdang-dong, Nam-gu, Busan 608-739, Korea*<sup>3</sup>*Department of Vehicle Engineering, Kangwon National University, Samcheok, Gangwon-do 245-711, Korea*<sup>4</sup>*Department of Mechanical Engineering, Kangwon National University, Samcheok, Gangwon-do 245-711, Korea*<sup>5</sup>*Department of Mechanical Engineering, Dong-A University, 840 Hadan2-dong, Busan 604-714, Korea*

---

There is one correction to make to the original article.

The title was misprinted. The title should be corrected as follows:

Optimization of process parameters for recycling of mill scale using Taguchi experimental design

---

<sup>†</sup> DOI of the original article: DOI 10.1007/s12206-010-0714-8
