Correction to: Estuaries and Coasts.

<https://doi.org/10.1007/s12237-019-00669-0>

In the original version of the article, there was an error in the column headings on the second page of Table 7. Low OM × 100% light and Low OM × 58% light should be High OM × 100% light and High OM × 58%, respectively.

The original article has been corrected.

The online version of the original article can be found at <https://doi.org/10.1007/s12237-019-00669-0>
