Retraction Note to: *International Journal of Automotive Technology*, Vol. 17, No. 1, pp. 1–12 (2016)
DOI 10.1007/s12239-016-0001-5

The authors have retracted this article because there is substantial overlap of text and images with [1-3]. All authors agree with this retraction but not with the wording of the retraction notice.
