**Erratum to: Arch. Pharm. Res.**  
**DOI 10.1007/s12272-013-0176-5**

Unfortunately, the original version of the article contains a few errors.

These errors should be corrected as follows:

1. The authors would like to add a comment that Amani Cheikh and Rym Benkhalifa have equally contributed to this work.
2. The affiliation of the author Imen Chatti has been updated in this erratum.
3. One more colleague is added in the Acknowledgement section. The correct text is shown below.

**Acknowledgments** Thanks are addressed to Professor Hechmi Louzir, General Director of Pasteur Institute for constant encouragements. The authors thank Dr. Zakaria Belasfer, for taking care of animals and providing us venom; Dr. Najet Srairi-Abid for kindly providing KAah1 and KAah2; Thouraya Chagour, for venom filtration. Dr. Romain Guinamad, professor in the University of Caen, for his valuable remarks and Salaheddine Mnasri for English corrections. This work was supported by Pasteur Institute, the Ministry of Public Health and the Ministry of Research and Development (Imvt).
