Erratum to

Nano Research 2021, 14(2): 404–410

<https://doi.org/10.1007/s12274-020-2792-y>

The title of Ref. [19] in References in page 6 was unfortunately wrong,

instead of

Dry post-combustion CO₂ capture: The effect of ligand properties on the efficiency of M-BT^{Tri} family of frameworks

It should read

Understanding how ligand functionalization influences CO₂ and N₂ adsorption in a sodalite metal–organic framework

The online version of the original article can be found at
