

Editorial

We are pleased to introduce an all-new online manuscript submission and tracking system for streamlined and efficient handling of manuscripts submitted to the *Geosciences Journal*. The “Editorial Manager” was incorporated to the journal effective from the 1st of August, 2012. Please visit the web site (<http://www.editorialmanager.com/geoj/>) for more details.

In other news, the Editors’ panel of the *Geosciences Journal* recently decided to publish contributions of an

issue in the following order: Letter, Article, Discussion and Reply, Review Article, and Book Review. The decision was made after the journal had published the first Review Article in the Number 1 issue of Volume 16.
