Correction to: The Cerebellum

<https://doi.org/10.1007/s12311-021-01276-1>

In the original manuscript, the authors want to correct the declared funding for two of the authors. Collen Murasesku (CM) and Amy Goldstein (AG) in fact did NOT receive support for this paper from National Institutes of Health (U24-HD093483 to Marni J. Falk, MD).

The original paper has been corrected.
