Correction to: The Cerebellum

<https://doi.org/10.1007/s12311-022-01391-7>

The article is now published online. However the author only wanted to discuss or define further the supplement files through ESM captions below.

"**Supplement 3** is the final version of Brazilian Portuguese Cerebellar Cognitive Affective/Schmahmann syndrome scale (Version 1A)."

"**Supplements 4** through **6** are alternative versions of the Brazilian Portuguese of the scale, described as Version 1B, 1C and 1D respectively."

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s12311-022-01391-7>.
