The authors of the above mentioned paper would like to make the following adjustment to their article. In Table 4, the column heading titled “After 60 min ($n = 8$)” should read “12 weeks of administration ($n = 8$)”. The corrected table is published here:

The online version of the original article can be found under doi:[10.1007/s12325-013-0029-0](https://doi.org/10.1007/s12325-013-0029-0).
