and L. Samuel Wann, MD, PhDⁱ

ERRATUM TO: J NUCL CARDIOL DOI 10.1007/S12350-012-9523-Z

Unfortunately, the following corrections were not incorporated into the original article.

- On page 14 under Pharmacologic Agents in the 3rd paragraph, reference #72 should be removed after “asthma”
- On page 14 under Pharmacologic Agents in the 3rd paragraph, reference #74 should be added after “COPD”
- On page 14 under Pharmacologic Agents in the 4th paragraph, reference #74 is incorrect after “results” and should be reference #75
- On page 17 under The Patient with Acute Chest Pain in the ED in the 4th paragraph, reference #93 after “infarction” should be removed
- On page 22 under The “Caffeinated” Patient Unable to Exercise in the 2nd paragraph, reference #134 is incorrect after “Zoghbi et al” and should be reference #75
- On page 22 under The “Caffeinated” Patient Unable to Exercise in the 2nd paragraph, reference #134 should be added after “hyperemia” at the end of the last sentence
- On page 31 under the References, the order of references #159 and 160 should be switched
- On page 23 under The Patient Pre-/Post-Transplant in the 3rd paragraph, reference #160 should be added after “respectively).”
- On page 23 under The Patient Pre-/Post-Transplant in the 3rd paragraph, reference #160 should be removed after “CAD.” The correct references listed after “CAD.” Should be #161–162.
