<https://doi.org/10.1007/s12371-020-00472-5>

In spite of the correction made by the authors, this paper was published online in its non-corrected proof version. Although the typo and formatting errors do not affect the validity of the results and discussion presented, we feel they can be rectified here.

The correct order of the Figs. 4 and 5 was switched. The correct way in which they should appear is provided below.

The online version of the original article can be found at <https://doi.org/10.1007/s12371-020-00472-5>
