The Editor in Chief has retracted this article in agreement with the author. After publication a number of concerns were raised about controversial statements and opinions expressed in this article. The author provided extensive corrections to a number of statements, and further clarifications regarding the methodology used. However, the Editor in Chief considered that these were too substantial for an erratum and that the article should be retracted. The author has submitted a new manuscript for peer review.

The author agrees to this retraction. The online version of this article contains the full text of the retracted article as Supplementary Information.

Supplementary Information The online version contains supplementary material available at <https://doi.org/10.1007/s12397-021-09364-4>.
