Correction to: Arabian Journal of Geosciences (2020) 13:842
<https://doi.org/10.1007/s12517-020-05756-2>

The original version of this article was revised: Seventh author “Faisal Rehman” was not appended in the article. The first and seventh author are the same, hence journal production thought that these were unintentionally provided. In addition, figure captions and citations were not arranged properly. Given in this article is the complete list of authors and updated figure captions and citations.

The original article has been corrected.
