Correction to: *Arabian Journal of Geosciences* (2020) 13:170
<https://doi.org/10.1007/s12517-020-5142-1>

The original version of this paper was published with error. There had been a mistake during figure replacement processing. Author provided Figure 8b replacement, but typesetter unintentionally replaced the entire Figure 8, failing to check that the figure has two panels “a” and “b”. Given in this article is the correct figure.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s12517-020-5142-1>
