Correction to: Metals and Materials International
<https://doi.org/10.1007/s12540-019-00501-1>

The original version of this article unfortunately contained a mistake.

The affiliation of the third author Abhishek Kumar Patel should be Energy Science and Engineering Department, Indian Institute of Technology Bombay (IITB), Powai, Mumbai, India, and Hydrogen Research Institute, Université du Québec à Trois-Rivières, 3351 des Forges Trois-Rivières, G9A 5H7, Canada.

The fifth author name Jacques Huot was missed in the original publication, and it has been included in this correction.

In the original publication of the article, the Acknowledgements section was published incorrectly. The correct Acknowledgements section is given in this correction.

Acknowledgements This work is supported by East China University of Technology (ECUT) for Ph.D. research fund (DHBK2019128) and experimental technology Project (DHSY-201919114). We also want to thank *Hydrogen Research Institute, Université du Québec à Trois-Rivières*, for measurements.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s12540-019-00501-1>.
