Correction to: Palaeobiodiversity and Palaeoenvironments
<https://doi.org/10.1007/s12549-021-00488-x>

There were typos in the manuscript, leading to an incorrect terminology. In the following sentences we replaced the word **oligophotic** with **euphotic**:

1. Abstract: “..... are indicative of oligotrophic and **euphotic** settings.....”
2. Introduction: “..... growth of warm-water carbonates with nummulites and/or corals in **euphotic** and oligotrophic settings.....”
3. Discussion (upwelling chapter): “..... oligotrophic and **euphotic** warm-water.....”

We apologise for the inconvenience,
Juraj Hrabovský and co-authors
