The original version of this article unfortunately contained an error. The authors would like to correct the error with this erratum.

The authors made a factual error in identifying the state of Maryland as having a minimum age of 12. As of February 2021, Maryland is one of the 28 states without a minimum age law. Only Utah (with exceptions), California (with exceptions), and Massachusetts have established a minimum age of 12.

The original article can be found online at <https://doi.org/10.1007/s12552-021-09314-7>.
