Correction to: Health and Technology

<https://doi.org/10.1007/s12553-020-00417-6>

This original article contained a mistake.

Fig. 6, about the 12 standard ECG leads in healthy condition, reported a copy of Fig. 11 (12 standard ECG leads in posterior ischemia condition). We modified Fig. 6 reporting the correct results on the ECG in healthy condition.

The original article has been corrected.

The online version of the original article can be found at <https://doi.org/10.1007/s12553-020-00417-6>
