In the original publication of the article, the “Keywords” and Fig. 7 were published incorrectly. The correct “Keywords” and Fig. 7 are given in this correction.

Keywords Abdominal aorta · Anatomic variation · Coeliac trunk · Mesenteric arteries · Mesenteric artery, Inferior · Mesenteric artery, Superior · Multidetector computed tomography

Fig. 7 Coeliac trunk originating from the abdominal aorta at middle level of the Th12 (star), the superior mesenteric artery originating from the abdominal aorta at lower level of the Th12 (square), the inferior mesenteric artery originating from the abdominal aorta at upper-level of the L2 (triangle) (35 age, male); AA abdominal aorta, CT coeliac trunk, SMA superior mesenteric artery, IMA inferior mesenteric artery
