It is well known that the quality of a scientific journal strongly depends on the rigorous work of the people involved in the review process, such as the Associate Editors, but in particular our esteemed team of Reviewers. And it is also due to their work that the CEAS Space Journal finally achieved an Impact Factor.

The editors of the CEAS Space Journal highly appreciate the dedication and support of the Reviewers listed below, who have made their excellent contributions to maintain the high quality of the Journal throughout 2023.
