Correction to: Food Security

<https://doi.org/10.1007/s12571-020-01015-0>

In the version of this article initially published, the text of the “Statistical analysis” section for model “(3)” and the footnote “d” to Table 3 erroneously omitted the word “chapati.” This model was adjusted for “chapati” in addition to the variables listed in the article initially published.

The online version of the original article can be found at <https://doi.org/10.1007/s12571-020-01015-0>
