The original version of this article unfortunately contained mistakes introduced during the production process.

The Acknowledgements and Author's contribution sections were missing from this article and should have read as follows:

Acknowledgements Special thanks go to MVIWATA Ruvuma, Tanzania for providing infrastructure and assistance to conduct this research, and Maria Daniela Núñez Burbano de Lara for her contributions to initial ideas on the conceptual framework and previous research which formed the basis for this study. We further extend our gratitude to Kerstin Lanje, Denis Mpagaze, Frank Ademba, Prof. Chris Maina Peter, Magdalena Lugu, Joshua Mlewa and Prof. Rosa Freedman. We are

grateful for the helpful comments of two anonymous reviewers, which helped to improve this paper further. Financial support from the Commonwealth Scholarship Commission is greatly acknowledged.

Author's contribution Atenchong Talleh Nkobou and Stefanie Lemke conceptualised and designed the study and methodological approach applied in this research, with contributions from Andrew Ainslie. Data collection and analysis were performed by ATN, with input from Stefanie Lemke and Andrew Ainslie. The manuscript was written by Atenchong Talleh Nkobou and Stefanie Lemke, with contributions on an earlier version of the paper and final review by Andrew Ainslie. All authors read and approved the final manuscript.

The original article has been corrected.
