In the above Editorial published in March 2023 issue of the Journal of the Geological Society of India (v.99, pp.299-302). On page 300, there is a typographical error in Table 2 and should be replaced by the Table given below

**Table 2.** Earthquakes in the Himalayan region, updated from Satyabala and Gupta (1996)

Magnitude (M)	1897-1952	1953-2022
$\geq 7.5$	14	2
7 to 7.5	11	10
6.5 to 7	19	34
