Erratum to: Probiotics & Antimicro. Prot.
DOI 10.1007/s12602-016-9246-6

The original version of this article unfortunately contained mistakes and the authors are hereby publishing this erratum. The author realized that the ID number of one probiotic strain was typed incorrectly. The strain “ATCC PTA 5298” should be captured as “ATCC PTA 5289”. It was captured five times throughout the manuscript and these have been corrected in the original article.

The online version of the original article can be found <http://dx.doi.org/10.1007/s12602-016-9246-6>
