### Erratum to: Can J Anesth/J Can Anesth DOI 10.1007/s12630-014-0111-3

In the article entitled: “The utility of transthoracic echocardiography to confirm central line placement: An observational study” published in the April 2014 issue, Can J Anesth 2014; DOI: [10.1007/s12630-014-0111-3](https://doi.org/10.1007/s12630-014-0111-3), the conclusion of the abstract should begin with “*Transthoracic*

*echocardiography ...*” and the conclusion of the French abstract should begin with “*L'échocardiographie transthoracique...*”. Amir Rumman's degree should read: BSc. Dr. Aliya Nurmohamed and Amir Rumman are affiliated to Queen's University School of Medicine, Queen's University, Kingston, ON, Canada. The publisher apologizes most sincerely for this error.
