To the Editor,

Thank you for reviewing *Neonatal Anesthesia* in the December 2015 issue of the *Journal*.¹ I would like to correct one statement in the review that read: "...and were unable to locate or review an electronic version." Indeed, an electronic version of this text is available for sale and downloading from a number of platforms, including Amazon and Springer (<http://link.springer.com/book/10.1007%2F978-1-4419-6041-2>).

In addition, the electronic version of the text may be accessible to readers through their institutional or personal

SpringerLink account. Technical videos are planned for any subsequent editions of this monograph.

Conflicts of interest None declared.
