This article has been retracted at the request of the Editor-in-Chief, The Indian Society for Parasitology (ISP), and the Publisher per the Committee on Publication Ethics

guidelines. There is strong reason to believe that the peer review process was compromised, and the authors have plagiarized parts from the following article:

Yarmut Y, Brommer H, Weisler S, Shelah M, Komarovsky O, Steinman A, Ophthalmic and cutaneous habronemiasis in a horse: Case report and review of the literature. *Israel Journal of Veterinary Medicine*. 2008; 63:3 87–90.

As such the validity of the content of this article cannot be verified.

The online version of the original article can be found under doi:[10.1007/s12639-014-0611-7](https://doi.org/10.1007/s12639-014-0611-7).
