Retraction Note to:

Journal of Ambient Intelligence and Humanized Computing (2020) 12:6231–6240
<https://doi.org/10.1007/s12652-020-02191-9>

The Editor-in-Chief and the publisher have retracted this article. This article was submitted to be part of a guest-edited issue. An investigation concluded that the editorial process of this guest-edited issue was compromised by a third party and that the peer review process has been manipulated.

Based on the investigation's findings the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

Sukumar Ponnusamy has stated on behalf of all authors that they disagree with this retraction.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s12652-020-02191-9>.
