The original article has been published inadvertently with some errors in Fig. 1 and a keyword.

The keyword “**landslide-earthquake**” should be replaced by “**landslide-quake**”.

The corrected Fig. 1 and its caption is given below.

The original article can be found online at <https://doi.org/10.1007/s12665-019-8083-9>.
