Correction to: Journal of Community Genetics

<https://doi.org/10.1007/s12687-021-00562-z>

The original version of this article unfortunately contained a mistake..

In Figure 1c legend, “beneficial treatment” should read “dangerous treatment”. The correct figure is shown below.

This is being corrected in this publication.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s12687-021-00562-z>.
