Correction to: Asia-Pacific J Atmos Sci https://doi.org/10.1007/s13143-021-00247-0

Due to an unfortunate oversight the grant number in the acknowledgment section has been given erroneously. It should read:

This work is supported by the Korea Agency for Infrastructure Technology Advancement (KAIA) grant funded by the Ministry of Land, Infrastructure and Transport (Grant 21UMRG-B158194-02).

The original article has been corrected
