Correction to: International Journal of Early Childhood

<https://doi.org/10.1007/s13158-023-00377-8>

The above-mentioned paper was inadvertently published with mistakes. Please find the details below.

There was an error regarding the affiliations for Aleksandr N. Veraksa, Vera L. Sukhikh, Margarita N. Gavrilova, Valeriya A. Plotnikova. As well as having affiliation 1 “Laboratory of Childhood Psychology and Digital Socialization, Federal Scientific Center of Psychological and Multidisciplinary Research, Moscow, Russia”, they should also have affiliation 3 “Department of Psychology, Lomonosov Moscow State University, Moscow, Russia”.

In the published article, there was an error made in the Abstract in the description of the results. A correction has been made to Abstract, Resumen and Abstrait. These sentences previously stated:

Abstract. “In addition, long-term effects of role play and digital play were significantly higher than in control group.”

Resumen. “Además, los efectos a largo plazo del juego de roles y del juego digital fueron significativamente mayores que en el grupo de control.”

Abstrait. “De plus, les effets à long terme des jeux de rôle et des jeux numériques étaient significativement plus élevés que dans le groupe témoin.”

The original article can be found online at <https://doi.org/10.1007/s13158-023-00377-8>.
